Love Dad xxx

I'll always remember
the day we first met.

From the moment you chose me
our friendship was set.

Although there were so many bears
on the shelf —

How lucky was I to
get you all to myself!

BUILD-A-BEAR

WORKSHOP

You stuffed and fluffed me and
filled me with heart

You hugged me and told me
that we'd never part

Your hugs were so warm,
they made me complete

One final squeeze and my
heart began to beat!

There was so much fun that I knew
we would share

But first, I needed some
new clothes to wear.

You selected an outfit and
then got me dressed

I looked in the mirror and
was very impressed!

PAWSOME

My cool new outfit made me
feel ever so happy

But still something was missing, you
needed to name me!

You wanted me to have a name
that's just right,

A name that would work in the
day and the night!
