It was a beautiful spring day in the forest. As the sun rose, the animals woke up to excited twittering and shouting.

Deep in the forest, Thumper the bunny was spreading wonderful news.

“A new prince is born!” he shouted.

In a nearby clearing, a mother deer lay with her newborn son.

“This is quite an occasion,” said Friend Owl.  
“It isn’t every day a prince is born.”

The mother deer named her son Bambi. Days passed and Bambi began to explore his world, with some help from the friendly forest animals. There was so much to see!

“Good morning,” called some possums hanging from a tree. Bambi turned his head upside down to greet them!

Then a furry creature popped out of the ground. “Good morning!” said the mole. Startled, Bambi tumbled to the ground.

He was still a little unsteady on his feet.
