UNICORN

Happy Birthday Millie!
Love Jessie and Jamie Xx

There once was a magic pony
Who was happy and loved to play games.

This pony was very beautiful,
And Millie was its name.

Millie has hooves that are golden,
They help Millie to gallop and prance.

When the horses have a party
Millie loves to join in and dance.

Millie has a tail made of rainbows,
Which moves side to side with a swish.

This magical tail is what is used
To grant a magical wish.

Millie is a special pony,
who has a sparkly rainbow mane.

All the other horses know,
That Millie just isn't the same

At the top of the pony's head,
Is a glittery silver horn.

Millie

Normal horses don't have these
Because...

Millie is a unicorn!
